

### Golf Ball Cranachan

**Golf Ball** – Using clear white sugar pull until white and Satanized, work onto warmed copper pipe and start to blow using the bellows.

Place the ball into the silicon mould and blow till filled – remove bellows and then split mould to remove the ball.

Heat copper pipe to remove and warm and trim off excess sugar.

When cold cut a hole in the bottom and store till required in silica gel.

For dressing the plate

Quartered strawberries – whole blue berries – halved raspberries and black berries - Oatmeal granola – raspberry coulis and vanilla Anglaise – finish with a little picked lemon thyme.

To serve – pipe softened Drambuie ice cream into the ball  $\frac{3}{4}$  full add raspberry sorbet into the centre of the ice cream.

Turn immediately onto the centre of the dressed plate and serve.

Use your spoon like a four Iron to smash into your dessert !!!!
